When the Chairman is absent or unable to serve or when the position of Chairman is vacant, the Vice Chairman acts as Chairman.

(e) DUTIES AND POWERS OF CHAIRMAN.—The Chairman is the chief executive and administrative officer of the Board. Subject to the general

policies and decisions of the Board, the Chairman shall—

§ 1113. Administrative

(a) **GENERAL AUTHORITY.**—(1) The National Transportation Safety Board, and when authorized by it, a member of the Board, an administrative law judge employed by or assigned to the Board, or an officer or employee designated by the Chairman of the Board, may conduct hearings to carry out this chapter, administer oaths, and require, by subpoena or otherwise, necessary witnesses and evidence.

(2) A witness or evidence in a hearing under paragraph (1) of this subsection may be summoned or required to be produced from any place in the United States to the designated place of the hearing. An action under this paragraph may be brought in the judicial district in which the person against whom the action is brought resides, is found, or does business. The court may punish a failure to obey an order of the court to comply with the subpoena, order, or notice as a contempt of court.

(b) **ADDITIONAL POWERS.**—(1) The Board may—

(A) procure the temporary or intermittent services of experts or consultants under section 3109 of title 5;

(c) **SUBMISSION OF CERTAIN COPIES TO CONGRESS.**—When the Board submits to the President or the Director of the Office of Management and Budget a budget estimate, budget request, supplemental budget estimate, other budget information, a legislative recommendation, prepared testimony for congressional hearings, or comments on legislation, the Board must submit a copy to Congress at the same time. An officer, department, agency, or instrumentality of the Government may not require the Board to submit the estimate, request, information, recommendation, testimony, or comments to another officer, department, agency, or instrumentality of the Government for approval, comment, or review before being submitted to Congress.

(d) **LIAISON COMMITTEES.**—The Chairman may determine the number of committees that are

§ 1114. Disclosure, availability, and use of information

(a) **GENERAL.**—Except as provided in subsections (b) and (c) of this section, a copy of a record, information, or investigation submitted or received by the National Transportation Safety Board, or a member or employee of the Board, shall be made available to the public on identifiable request and at reasonable cost. (2) Information disclosed under paragraph (1) of this subsection may be disclosed only in a way designed to preserve its confidentiality.

(c) **COCKPIT VOICE RECORDINGS AND TRANSCRIPTS.**—(1) The Board may not disclose publicly any part of a cockpit voice recorder recording or transcript of oral communications by and between flight crew members and ground stations related to an accident or incident investigated by the Board. However, the Board shall make public any part of a transcript the Board decides is relevant to the accident or incident—

SUBCHAPTER III—AUTHORITY

§ 1131. General authority

(a) GENERAL.—(1) The National Transportation Safety Board shall investigate or have investigated (in detail the Board prescribes) and establish the facts, circumstances, and cause or probable cause of—

(A) an aircraft accident the Board has authority to investigate under section 1132 of this title or an aircraft accident involving a public aircraft as defined by section 40102(a)(37) of this title other than an aircraft operated by the Armed Forces or by an intelligence agency of the United States;

(B) a highway accident, including a railroad grade crossing accident, the Board selects in cooperation with a State;

(C) a railroad accident in which there is a fatality or substantial property damage, or that involves a passenger train;

(D) a pipeline accident in which there is a fatality, substantial property damage, or significant injury to the environment;

(E) a major marine casualty (except a casualty involving only public vessels) occurring on the navigable waters or territorial sea of the United States, or involving a vessel of the United States, under regulations prescribed jointly by the Board and the head of the department in which the Coast Guard is operating; and

(F) any other accident related to the transportation of individuals or property when the Board decides—

- (i) the accident is catastrophic;
- (ii) the accident involves problems of a recurring character; or
- (iii) the investigation of the accident would carry out this chapter.

(2) An investigation by the Board under paragraph (1)(A)–(D) or (F) of this subsection has priority over any investigation by another department, agency, or instrumentality of the United States Government. The Board shall provide for appropriate participation by other departments, agencies, or instrumentalities in the investigation. However, those departments, agencies, or instrumentalities may not participate in the decision of the Board about the probable cause of the accident.

(3) This section and sections 1113, 1116(b), 1133, and 1134(a) and (c)–(e) of this title do not affect the authority of another department, agency, or instrumentality of the Government to investigate an accident under applicable law or to obtain information directly from the parties involved in, and witnesses to, the accident. The Board and other departments, agencies, and instrumentalities shall ensure that appropriate in-

formation developed about the accident is exchanged in a timely manner.

(b) ACCIDENTS INVOLVING PUBLIC VESSELS.—(1) The Board or the head of the department in which the Coast Guard is operating shall investigate and establish the facts, circumstances, and cause or probable cause of a marine accident involving a public vessel and any other vessel. The results of the investigation shall be made available to the public.

(2) Paragraph (1) of this subsection and subsection (a)(1)(E) of this section do not affect the responsibility, under another law of the United States, of the head of the department in which the Coast Guard is operating.

(c) ACCIDENTS NOT INVOLVING GOVERNMENT MISFEASANCE OR NONFEASANCE.—(1) When asked by the Board, the Secretary of Transportation may—

(A) investigate an accident described under subsection (a) or (b) of this section in which misfeasance or nonfeasance by the Government has not been alleged; and

(B) report the facts and circumstances of the accident to the Board.

(2) The Board shall use the report in establishing cause or probable cause of an accident described under subsection (a) or (b) of this section.

(d) ACCIDENTS INVOLVING PUBLIC AIRCRAFT.—The Board, in furtherance of its investigative duties with respect to public aircraft accidents under subsection (a)(1)(A) of this section, shall have the same duties and powers as are specified for civil aircraft accidents under sections 1132(a), 1132(b), and 1134(b)(2) of this title.

(e) ACCIDENT REPORTS.—The Board shall report on the facts and circumstances of each accident investigated by it under subsection (a) or (b) of this section. The Board shall make each report available to the public at reasonable cost.

In this section, the words “section 1132, 1134(b) or (f)(1) (related to an aircraft accident), or 1155(a) of this title” are substituted for “issued under this chapter” and “provisions of this chapter” because those sections restate the relevant provisions of 49 App.:ch. 20 carried out by the National Transportation Safety Board.

In subsections (a) and (b), the word “rule” is omitted as being synonymous with “regulation”. The word “requirement” is omitted as being included in “order”. The words “or any term, condition, or limitation of any certificate or permit” are omitted because the National Transportation Safety Board does not have authority to issue certificates or permits.

In subsection (a), the words “their duly authorized agents” are omitted as surplus. The words “may bring a civil action” are substituted for “may apply” in 49 App.:1487(a) for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “civil action” are substituted for “proceedings . . . begun originally in any court of the United States” for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.). The words “section 1132, 1134(b) or (f)(1) (related to an aircraft accident), or 1155(a) of this title” are substituted for “the provisions of this chapter” in 49 App.:1489 because 49 App.:1489 is taken from 49 App.:ch. 20 and the sections in quotations restate the relevant provisions of 49 App.:ch. 20 carried out by the National Transportation Safety Board. The remaining relevant provisions of 49 App.:ch. 20 are restated in part A of subtitle VII of the revised title, and provisions comparable to this section are included as section 46109 of the revised title. The word “rule” is omitted as being synonymous with “regulation”. The word “requirement” is omitted as included in “order”. The words “or any term, condition, or limitation of any certificate or permit” are omitted because the Board does not have authority to issue certificates or permits. The text of 49 App.:1489 (words after semicolon) is omitted as surplus.

§ 1153. Judicial review

(a) GENERAL.—The appropriate court of appeals of the United States or the United States Court of Appeals for the District of Columbia Circuit may review a final order of the National Transportation Safety Board under this chapter. A person disclosing a substantial interest in the order may apply for review by filing a petition not later than 60 days after the order of the Board is issued.

(b) PERSONS SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—(1) A person disclosing a substantial interest in an order related to an aviation matter issued by the Board under this chapter may apply for review of the order by filing a petition for review in the United States Court of Appeals for the District of Columbia Circuit or in the court of appeals of the United States for the circuit in which the person resides or has its principal place of business. The petition must be filed not later than 60 days after the order is issued. The court may allow the petition to be filed after the 60 days only if there was a reasonable ground for not filing within that 60-day period.

(2) When a petition is filed under paragraph (1) of this subsection, the clerk of the court immediately shall send a copy of the petition to the Board. The Board shall file with the court a record of the proceeding in which the order was issued.

(3) When the petition is sent to the Board, the court has exclusive jurisdiction to affirm, amend, modify, or set aside any part of the order and may order the Board to conduct further proceedings. After reasonable notice to the Board, the court may grant interim relief by

staying the order or taking other appropriate action when cause for its action exists. Findings of fact by the Board, if supported by substantial evidence, are conclusive.

(4) In reviewing an order under this subsection, the court may consider an objection to an order of the Board only if the objection was made in the proceeding conducted by the Board or if there was a reasonable ground for not making the objection in the proceeding.

(5) A decision by a court under this subsection may be reviewed only by the Supreme Court under section 1254 of title 28.

(c) ADMINISTRATOR SEEKING JUDICIAL REVIEW OF AVIATION MATTERS.—When the Administrator of the Federal Aviation Administration decides that an order of the Board under section 44709 or 46301(d)(5) of this title will have a significant adverse impact on carrying out this chapter related to an aviation matter, the Administrator may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

In subsection (a), the text of 49 App.:1903(d) (last sentence) is omitted as unnecessary because 5:ch. 7 applies by its own terms. The words “is issued” are substituted for “after the entry” for consistency in the revised title and with other titles of the United States Code. In subsection (b)(1), the words “affirmative or negative” are omitted as surplus. The words “is issued” are substituted for “the entry of” for consistency in the revised title and with other titles of the Code.

The words “taking other appropriate action” are substituted for “by such mandatory or other relief as may be appropriate” for clarity and to eliminate unnecessary words.

In subsection (b)(4), the words “made in the proceeding conducted by” are substituted for “urged before” for clarity.

In subsection (c), the source provisions are combined to eliminate unnecessary words and are restated in this chapter to alert the reader to the authority of the Administrator of the Federal Aviation Administration to seek judicial review of an order of the National Transportation Safety Board under section 44709 or 46301(d) of the revised title that the Administrator decides will have a significant adverse impact on carrying out source provisions restated in this chapter that are derived from title VII of the Federal Aviation Act of 1958 (Public Law 85-726, 72 Stat. 781).

§ 1154. Discovery and use of cockpit voice and other material

(a) TRANSCRIPTS AND RECORDINGS.—(1) Except as provided by this subsection, a party in a judicial proceeding may not use discovery to obtain—

- (A) any part of a cockpit voice recorder transcript that the National Transportation Safety Board has not made available to the public under section 1114(c) of this title; and
- (B) a cockpit voice recorder recording.

(2)(A) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit voice recorder transcript if, after an in camera review of the transcript, the court decides that—

- (i) the part of the transcript made available to the public under section 1114(c) of this title does not provide the party with sufficient information for the party to receive a fair trial; and

- (ii) discovery of additional parts of the transcript is necessary to provide the party with sufficient information for the party to receive a fair trial.

(B) A court may allow discovery, or require production for an in camera review, of a cockpit voice recorder transcript that the Board has not made available under section 1114(c) of this title only if the cockpit voice recorder recording is not available.

(3) Except as provided in paragraph (4)(A) of this subsection, a court may allow discovery by a party of a cockpit voice recorder recording if, after an in camera review of the recording, the court decides that—

(A) the parts of the transcript made available to the public under section 1114(c) of this title and to the party through discovery under paragraph (2) of this subsection do not provide the party with sufficient information for the party to receive a fair trial; and

(B) discovery of the cockpit voice recorder recording is necessary to provide the party with sufficient information for the party to receive a fair trial.

(4)(A) When a court allows discovery in a judicial proceeding of a part of a cockpit voice recorder transcript not made available to the public under section 1114(c) of this title or a cockpit voice recorder recording, the court shall issue a protective order—

(i) to limit the use of the part of the transcript or the recording to the judicial proceeding; and

(ii) to prohibit dissemination of the part of the transcript or the recording to any person that does not need access to the part of the transcript or the recording for the proceeding.

(B) A court may allow a part of a cockpit voice recorder transcript not made available to the public under section 1114(c) of this title or a cockpit voice recorder recording to be admitted into evidence in a judicial proceeding, only if the court places the part of the transcript or the recording under seal to prevent the use of the part of the transcript or the recording for purposes other than for the proceeding.

(5) This subsection does not prevent the Board from referring at any time to cockpit voice recorder information in making safety recommendations.

(b) REPORTS.—No part of a report of the Board, related to an accident or an investigation of an accident, may be admitted into evidence or used in a civil action for damages resulting from a matter mentioned in the report.

§ 1155. Aviation penalties

(a) CIVIL PENALTY.—(1) A person violating section 1132 or 1134(b) or (f)(1) (related to an aircraft accident) of this title or a regulation prescribed or order issued under either of those sections is liable to the United States Government for a civil penalty of not more than \$1,000. A separate violation occurs for each day a violation continues.

(2) This subsection does not apply to a member of the armed forces of the United States or an employee of the Department of Defense subject to the Uniform Code of Military Justice when the member or employee is performing official duties. The appropriate military authorities are responsible for taking necessary disciplinary action and submitting to the National Transportation Safety Board a timely report on action taken.

(4) The Government may deduct the amount of a civil penalty imposed or compromised under this subsection from amounts it owes the person liable for the penalty.

(5) A civil penalty under this subsection may be collected by bringing a civil action against the person liable for the penalty. The action shall conform as nearly as practicable to a civil action in admiralty.

(b) CRIMINAL PENALTY.—A person that knowingly and without authority removes, conceals, or withholds a part of a civil aircraft involved in an accident, or property on the aircraft at the time of the accident, shall be fined under title 18, imprisoned for not more than 10 years, or both.

HISTORICAL AND REVISION NOTES—CONTINUED

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
1155(b)	49 App.:1903(a)(1)(A). 49 App.:1472(p).	Aug. 23, 1958, Pub. L. 85-726, 72 Stat. 731, §902(p); added Oct. 15, 1962, Pub. L. 87-810, §4, 76 Stat. 921; Aug. 5, 1974, Pub. L. 93-366, §103(b), 88 Stat. 410; Dec. 30, 1987, Pub. L. 100-223, §204(e), 101 Stat. 1520.

In subsection (a)(1), the words “section 1132 or 1134(b) or (f)(1) (related to an aircraft accident) of this title” are substituted for “any provision of subchapter . . . VII . . . of this chapter” in 49 App.:1471(a)(1) because those sections restate the relevant source provisions of 49 App.:ch. 20 carried out by the Board. The words “regulation prescribed or order issued under either of those sections” are substituted for “rule, regulation, or order issued thereunder” for clarity and consistency in the revised title and with other titles of the United States Code and because “rule” and “regulation” are synonymous. The words “liable to the United States Government” are substituted for “subject to” for clarity. The words “for each such violation” are omitted as unnecessary because of 18:1.

In subsection (a)(2), the word “civilian” is omitted as unnecessary. The words “with respect thereto” are omitted as surplus.

In subsection (a)(4), the words “imposed or compromised” are substituted for “finally determined or fixed by order of the Board, or the amount agreed upon in compromise” in 49 App.:1471(a)(2) for consistency and to eliminate unnecessary words.

In subsection (a)(5), the words “imposed or assessed” are omitted as surplus. The words “civil action against the person” are substituted for “proceedings in personam against the person” in 49 App.:1473(b)(1) for consistency with rule 2 of the Federal Rules of Civil Procedure (28 App. U.S.C.) and to eliminate unnecessary words. The text of 49 App.:1473(b)(1) (1st sentence words after 1st comma and last sentence) is omitted as unnecessary because penalties imposed by the National Transportation Safety Board do not involve liens on aircraft. The text of 49 App.:1473(b)(4) is omitted as unnecessary because of 28:ch. 131.
